Hello! I am a fun and approachable guy who loves meeting new people. I am both technical and creative, which lends itself towards well informed design projects. I am hyper-organised, good at multi-tasking, tech savy, cheerful and always keen to listen and learn new things.

Work History

2008 - 2018
Lees Supa IGA
All rounder)

Being a family run buisness I got to do a large variety of jobs, from carpentry to car mechanics and stuck around for 10 years`

2018 - Present
REAL Tours
Tourguide

Being a tourguide involves engaging with all sorts of people from various countries and facilitating a fun & inclusive environment, while problem solving on the go`

2019 - 2020
Trind Cosmetics
& Divage Milano
Marketing & Design

While living in the Netherlands I worked designing social media posts for two cosmetics comapnies. I also designed packages to fit niche products`
